

ANTIOCH CHAMBER OF COMMERCE
“GREEN BUSINESS OF THE YEAR - 2017”
Presented by Delta Diablo

The Antioch Chamber of Commerce and Delta Diablo through their “Green Business of the Year” Award, honors a business’s contributions in developing the social and economic well being of Antioch. The Award will be presented at the Annual Inaugural Gala on Friday, March 9, 2018.

Criteria to be used by the selection committee are as follows:

1. Such an award shall be determined primarily on how the business has made outstanding efforts to reduce/prevent pollution, energy efficiency, resource recovery, conserve water, reduce waste, sustainability, and recycling practices which protect our environment and improve the life of residents, employees and customers in Antioch.
2. The nomination should list achievements in and out of the chamber by the nominee that have resulted in recognizable benefits to our environment and community.
3. Reviewing and Selection Committee members’ businesses are not eligible.
4. All nominations must be in writing, including information to support the nomination, be signed by the person or organization making the nomination and include the nominator’s address, phone number and email address.

BUSINESS NOMINATED:

Name: _____

Type of Business: _____

Address: _____ Phone: _____

Number of years doing business in Antioch? _____

Nominated by: _____

Address: _____ Phone: _____

Email: _____

PLEASE FILL OUT THE INFORMATION BELOW. IF MORE SPACE IS REQUIRED, ATTACH ADDITIONAL PAGES.

Please be advised, the information submitted below should be as thorough, complete and detailed as possible. The information provided is the only information that will be used as the nomination committee considers all nominees.

Please list, in detail, the achievements of the nominee to reduce pollution that significantly benefited our environment and community, including past and present. Examples include changing products or processes to use fewer toxic materials; using new technologies or procedures to keep contaminants from entering local water ways; recycling; resource conservation; water conservation; pretreatment devices and equipment installed; and, public / employee education programs.

Please state any extenuating circumstances for nominating this business for "Green Business of the Year".
